ECHOES Workshop at CAA 2025

The Opportunities and Tools from the Cultural Heritage Cloud (ECCCH-ECHOES) for Digital Archaeology workshop will take place on Monday 5th May from 09:00-18:00 at CAA 2025 in Athens. ECHOES, together with AUTOMATA, TEXTaiLES and HERITALISE, will provide an in-depth look at the new opportunities and tools that are shaping the future of Digital Archaeology and Heritage Studies. The workshop features a dynamic mix of engaging presentations, hands-on sessions, and networking opportunities for professionals and researchers who are attending the conference.

Cascading Grants webinar and Q&A session

Following the first Call for the ECHOES Cascading Grants, a webinar has been organised for the 17th April at 15:00 CET to present how organisations can apply to share their data in the Cultural Heritage Cloud. This will be followed by a Q&A session where participants will be able to address their questions to the panel of presenters. [Find out more about the webinar.](#)

The ECHOES Consultation

The ECHOES Consultation has started and the first step is to gather information about cultural heritage and the related communities and their use of digital tools in their daily practices. Please complete this questionnaire to help inform ECHOES on the development and governance of the Cultural Heritage Cloud. [More about the Consultation.](#)

AUTOMATA Survey

AUTOMATA has launched a survey with a questionnaire for archaeologists on the use of 3D modelling, non-destructive archaeometry, AI and robotics.
