Toward the Cultural Heritage Cloud Event

The next ECHOES public event will be held at the Royal Institute of Cultural Heritage (KIK-IRPA), Brussels, both in person and online on the 12th and 13th December. The first day focuses on the Policy aspects of the Cultural Heritage Cloud with short presentations from key stakeholders and a round table discussion. Day 2 consists of a workshop, *Onboarding Communities into the Cultural Heritage Cloud*, aimed at presenting the ECHOES public consultation and the upcoming Cascading Grants calls. Go to the [agenda and registration link](#).

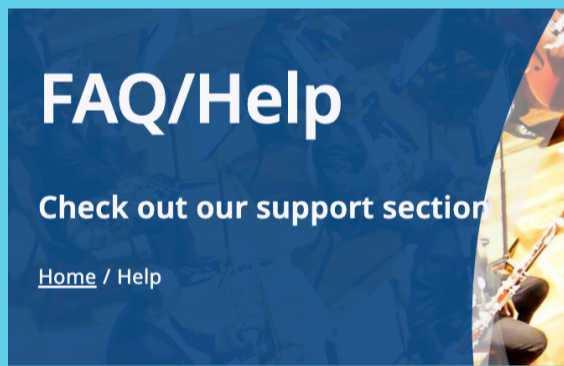

Shaping the Future of Cultural Heritage

The webinar "Shaping the Future of Cultural Heritage" on the 27th September organised by the European Commission was very well attended with over 450 participants on the day and 1,500 YouTube views to date. You can view the video and access the presentations on the [Commission website](#).

Useful information for ECCCH Proposals & Projects

Several new topics have been added to the website [FAQs/Help page](#). These include an overall introduction and value proposition, integration and interoperability, the data model and technical resources, use of Open Source software and IPR, communication and participation.

Digital Services Act Public Consultation

The Commission has launched a public consultation on the draft delegated act on access to online platform data for vetted researchers under the Digital Services Act (DSA). The deadline for feedback is the 10th December 2024. [Read more...](#)

HERITALISE
We welcome our third ECCCH-funded project, HERITALISE, which starts in January 2025. [Read more...](#)

Open ECCCH Calls
There are five Cloud for Cultural Heritage Calls for Proposals open until the 22nd January 2025. [Read more...](#)

Launch Event Videos
In case you missed it, five videos of the Public Launch are available on the [Canal-U ECHOES channel](#).

Funded by the European Union

UK Research and Innovation

ECHOES is a project funded by the European Commission under Grant Agreement n.101157364, with the support of UK Research and Innovation (UKRI) under the UK government's Horizon Europe funding guarantee n.10110142 & n.10110466.

Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Research Executive Agency. Neither the European Union nor the granting authority can be held responsible for them.
